

Gesa

Item number 35721, KMAT 61000134

Product description

The Gesa velour exudes an international look with its elegant sheen. The soft drape makes it ideal as a curtain fabric, but with its 80,000 abrasion cycles it is also a hard-wearing upholstery fabric. The focus was clearly placed on the classic velour colors red, green and blue. The effect of the deep colors is enhanced by the sheen of the velour.
