

May

Item number 32947, KMAT 61000302

Product description

Elegant, contemporary, uncomplicated - these words describe the unagitated decorative and upholstery fabric May. The natural linen look is created by a mottled effect yarn, which is used in both the warp and the weft. The fabric width of 280 cm and the natural drape of the fabric make this decorative fabric easy to work with. Accelerations of approx. 60,000 Martindale make May a very robust upholstery fabric.
