

Niva

Item number 41110, KMAT 61000380

Product description

The character of the Niva item is created by its elegant satin weave, which contrasts with the matt lines. The shrink yarn used for this creates a sophisticated three-dimensionality with an interesting embroidery effect. Elegantly graduated natural and grey tones are complemented by delicate sorbet colors in sage and old rose. Warm, burnt colors are powerfully complemented by dark blue. The design of Niva has been developed for sophisticated furnishings; the area of application ranges from noble hotels, senior residences with high standards to luxury cruise ships.
