Item number 37747, KMAT 61000186

Product description

Renzo is a modern, casual vintage velour. Its fine ribbed structure has a light, natural sheen. This velour is a prodigy of technical properties. With 100,000 abrasion cycles and all important flame retardant properties, it is unbeatable as an upholstery fabric, but is also an eye-catcher as a heavy decorative fabric. The modern choice of colors supports the design statement of this velour. Strong berry tones and expressive greens have been enriched with soft nuances and classic natural tones. Renzo is available in a total of 16 colorways.
