Product description

Romy is a high-system PU faux leather with a beautifully grained, matt surface that is almost indistinguishable from real leather to the touch. The leather look is enhanced by warm natural tones. High System PU faux leathers are phthalate-free and particularly soft and resistant to soiling. They are quick and easy to clean. With over 300,000 abrasion cycles, they are durable and robust. Thanks to its permanent bi-elasticity, the material can be easily processed using all common methods in the upholstery industry.

Technical Details

Fabric width	approx. 140 cm
Weight je m²	approx. 650 g/m ²
Composition	100% PU mit Polyester/CO - Beschichtung
Flame retardancy	IMO 2010 FTP Code Part 8, DIN EN 1021-2, DIN EN 1021-1, CAL TB 117, NFPA 260 Flammability performance is dependant on the foam used.
Light fastness	note 5-6
Rubbing fastness DIN EN ISO 105-X12	dry: note 4-5, wet: note 4-5
Abrasion to Martindale DIN EN ISO 12947-2 DIN EN 14465-2006	approx. 300000 rubs
