

Soft DELINIGHT

Item number 35958, KMAT 61000138

Product description

DELINIGHT fabrics are an innovation. They are 100% darkening and can be fully recycled due to their purity. Thanks to identically designed fabric sides, DELINIGHT articles can be used extremely flexibly and also offer an attractive appearance from the outside. The easy-care material also has excellent acoustic properties.

Soft combines all the advantages of a dimout, but darkens 100% - without a back coating. Soft is available in finely graduated shades of grey and natural, so nothing stands in the way of individual design.
