

Target 300

Item number 48404, KMAT 61000460

Product description

Target is a decorative classic and has a natural fabric appearance and a soft drape. When it comes to lightweight curtains for schools, offices, the healthcare sector and clinics, Target with its wide range of colors is the right choice. It is equally suitable as a lining fabric and as a panel curtain or room divider with light transmission. For use in the healthcare sector, suitability for hygienic washing at 72°C is of great importance. Target has passed this test and can therefore be used without hesitation in the health & care segment. Target is also available in 150 cm fabric width.
