

DELIUS WALLCOVERING PRODUCT WARRANTY

The DELIUS GmbH division of wallcoverings “DELIWALL” warrants that for a period of five years from the shipment of its wallcovering products, products shall **not exhibit colour fading, delamination of backing or mildew migration stains** when products are installed following Delius Installation Instructions on a structurally stable, properly prepared wall maintained at normal room temperatures (15° – 25°C).

This warranty is only valid between Delius and the customer; it is not assignable to third parties. This warranty does not apply to any wallcovering products used for residential purpose.

DELIUS will supply replacement material at no charge if any products fail to conform to this warranty. This replacement of material constitutes the sole and exclusive remedy for product failure, and under no circumstances shall DELIUS be liable for incidental or consequential damages.

In addition, our General Terms and Conditions apply. You can find them under the following link on our website: www.delius-contract.de/en/service/terms-and-conditions/
